

StellarHE is a strategic leadership development experience for Diverse Leaders (Black, Asian and Ethnically Diverse) in Higher Education, designed to develop and implement leadership strategies that reflect the unique challenges and experiences they face.

StellarHE is targeted at Diverse Leaders who aspire to senior leadership positions in Higher Education. It is aimed at professional Support Staff, Academics and Researchers at a middle to senior management level. Readiness to embark on an experiential leadership experience and availability to participate in all activities are key criteria for participation.

Enrolment Process & Key Dates

The purpose of the enrolment form is to ensure that participants are clear about the criteria and professional readiness necessary for taking up this leadership experience. The active engagement of Line Managers is a critical element of the StellarHE programme. Both participants and their managers are asked to sign off the enrolment form. This is in anticipation that managers fully understand their involvement, for example, supporting participants in identifying their Leadership Challenge and sharing their learning in the workplace on completion of the formal modules.

- **The final fee for the programme is £4,995 excl. VAT. This covers all workshops and materials.** An invoice will be sent on receipt of the enrolment form. **Travel for residentials is the responsibility of participants & their sponsor HEI.**
- Each HEI is requested to make the decision on who to put forward based on the enrolment criteria. **Names and enrolment forms for all approved participants should reach the Diversity Practice by Friday, 13 December 2024.** If completing a fillable PDF version of this form, please email it to: CCL@diversitypractice.com
- Please note, there is no 'save and continue later' option in the online form so we suggest you preview + prepare your answers beforehand.

APPLICATION

- Prospective participants discuss interest with HEI decision maker
